

*Some quotes...*

“My experience as part of the Erasmus MAP project has been the best one of my life so far, it allowed me to meet amazing people and visit beautiful places. I will never forget all the fun we had together!...”

“...I'm grateful for the opportunity to join this project because it gave me a set of feelings and knowledge that you don't gain in everyday life, I'll keep this experience with me forever”.

*Zaira Davide*

now Exchange Student in Canada

“This project allowed me to visit a country I never thought I'd get the chance to go to, Lithuania. I loved the people and the breath-taking landscapes and even though the weather was unforgivable, it was a fundamental part of the beauty of the country so I had to embrace it and ultimately it didn't even bother me anymore...

...This project allowed me to meet amazing people and I will never forget all the fun we had together!”

*Alice Mattioli*

*“Everyone here is the product of history, we are the proof that something has changed.”*

“I heard this quote, in Spain, I joined the workshop of migrants’ stories and it struck me deeply.”

“We are the proof of something real and yet, we could make a meaningful difference in order to live in a better place...”

“...A better place where we could call each other  
“friends” and not enemies.”

“Nowadays this is not seen, and we cannot permit the  
dark side to darken the bright side of world...”

“...It is not a world of war, but a world of peace...”

“...We have to know better each other and especially we need to listen to the others’ stories behind them...”

“...Everyone has an amazing background, whether you are a migrant or not; whether you are black or white: there is no difference between us...”

...Someone said  
*“No hell below us, above us only sky”...*

...I will always be grateful to Erasmus Project because it gave me the chance to understand that no matter where you come from, no matter whether you are rich or poor...

...Sometimes it is important to remind that we all share a unique, magnificent house that is the World...

EVERYONE has chances to improve their life from the very bottom.

This does not mean that you have to forget or abandon your roots...

...on the contrary, you will share them in your “new” life with your family and they will do it as well.

...Finally, yet very important, MAP gave me the possibility to establish new long distance friendships that hopefully will not ever end.

THANK YOU, NO OTHER SUITABLE WORDS TO EXPLAIN MY FEELINGS.”
